

3. Senator Jenner, Chairman of the Internal Security Subcommittee, commenced hearings this morning on Senate Resolution 247, which he and Sen. McCarran have introduced, urging a breaking of diplomatic relations with the USSR. These hearings will be broadly designated under the title of the "Strategy and Tactics of World Communism", and Sen. Jenner plans to string them out for propaganda purposes. The opening witnesses today were Professor Constantin Boldyreff of Georgetown and Col. William F. Heimlich. Prof. Boldyreff talked of NTS and defectors, but did not get into any security matters. *18 May 1954*
